WHAT IS PALLIATIVE CARE?

Palliative care is an interdisciplinary approach to specialized medical and nursing care for people of all ages with life-limiting illnesses. Palliative care is not reserved for end-of-life care and can improve quality of life. (Wikipedia)

Facilitated by

Amanda Schultz, APRN, C-NP, ACHPN, AE

Palliative Care Coordinator,

Baptist Integris Medical Center

- WHAT KIND OF CARE WOULD *YOU* (OR A LOVED ONE) WANT - IF YOU EXPERIENCED A LIFE-LIMITING ILLNESS OR ACCIDENT?
- HOW WOULD YOU ENSURE THAT YOUR WISHES ARE FOLLOWED?
- HOW WOULD YOU COMMUNICATE THIS WITH FAMILY OR FRIENDS?

Free, but registration is requested. Please call 918-260-4728 and register on voicemail.
