### Trash Off Stillwater Day, March 2018

March 31, a team consisting of eight Oakcreek members and two neighbors from nearby hCrescent Street, picked up trash along the part of the Kameoka Trail which parallels the back side of Oakcreek's property. Twenty- two bags of trash, a suitcase, 17 baseballs, a golf ball, and a bicycle seat were retrieved from the public path and the wooded areas near the path. The team came in second place. The winning team collected 25 bags of trash and a Christmas tree. In reality, all involved were winners as their efforts helped "clean up" Stillwater, Oklahoma. The section of the Kameoka Trail where the team picked up looks great! It makes walking there a pleasure.

We thank the following: Terry and Bobbi Bryson (neighbors), Pat Darlington, Kay Stewart, Mike and Julie Kelly, Donna Schwarz, John Wolfe, Ulrich Melcher, and Cheryl Wilson. We also thank Steve Tweedie, another Oakcreek member, who helped load the bags into the pickup. AND many thanks to Julie who keeps us all motivated!!
