BUMPER CROPS

After the cool, rainy spring, Oakcreek's 7 ½ acre campus was alive with Bumper Crops. First came the rabbits, greeting us wherever we walked.

Peach trees on the property were loaded with a Bumper Crop of juicy fruit, calling for temporary storage on our workbenches.

With the rains came Bumper Crops of our vegetable gardens, with visiting grand kids to help with the harvest.

Our (least favorite) Bumper Crop of bag worms, though, called for management by some adventurous ladder climbers.

Working together is fun, and it's also **really fun** to take a break and enjoy a morning of kayaking on our local Lake McMurtry.

JULY 4 INDEPENDENCE DAY!

Each July 4 brings a celebration, including lots of neighbors and family members. This year's potluck started with a patriotic fruit appetizer.

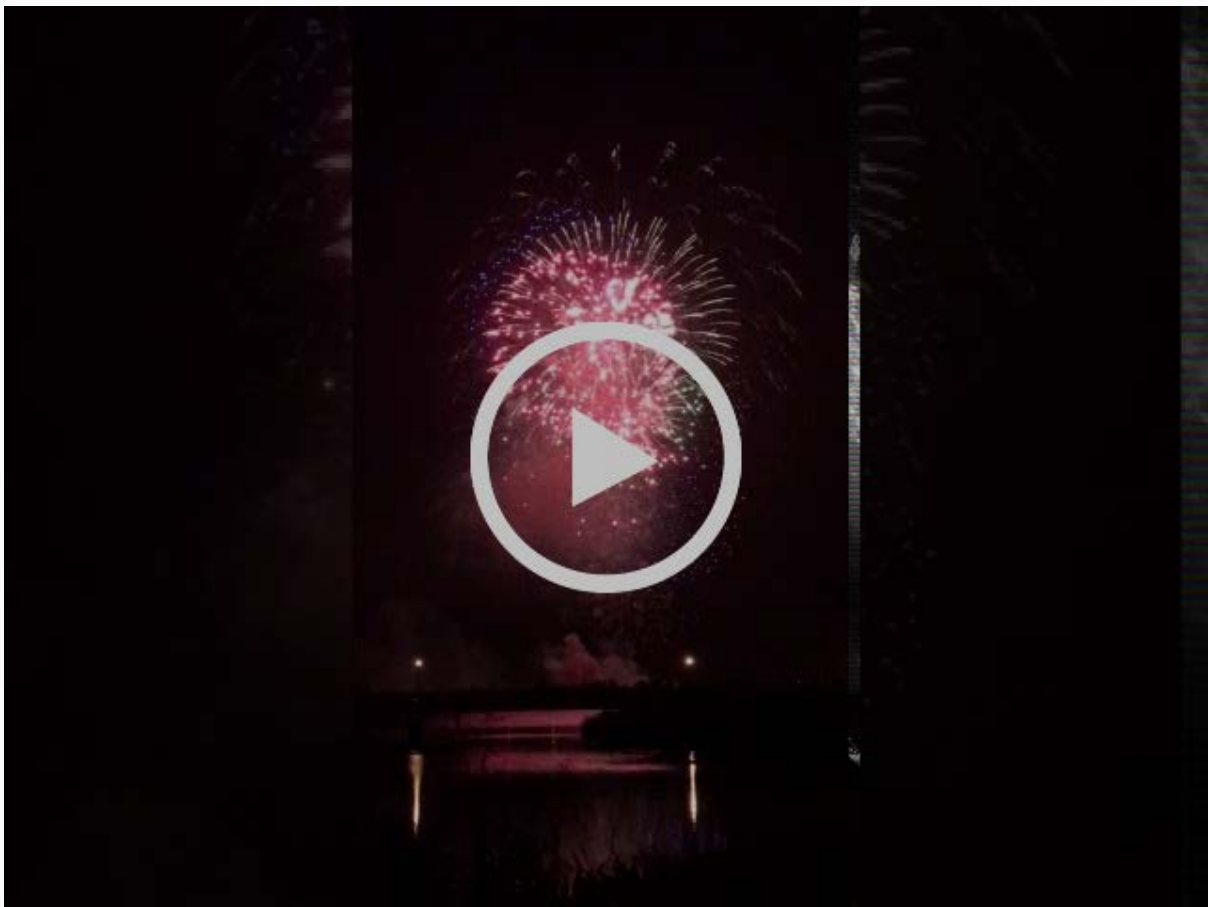

Eat before the meal

Followed by our grill-master's
always-excellent selections,
including great grilled vegetables!!

Before dark, we hike to the dam where Oakcreekers and guests wait for the start of Stillwater's fireworks exhibit.

DAY-TO-DAY IN COHOUSING

There is always time to....

catch up with neighbors

share a drink at Happy Hour

Celebrate a 93rd Birthday or
Sadly, watch the removal of a
dying tree.

COMMUNITY INVOLVEMENT

Located in a vibrant small college city, Oakcreek-ers find many opportunities for involvement in community events. Our own Mark won the Storytelling contest on the

50th anniversary of the first moon landing.

And, with some of our neighbors' extensive history in this city, Oakcreek was a logical participant in Stillwater's mural project, based on memories and stories about the area.
