RE: Oakcreek Cohousing Unit #402 Sale Information

Those on our Interested List received advance notice of this information, and now we're sharing the information with you.

We are pleased to announce that Unit #402 is now on the market at an asking price of $276,000. The preferred closing date is to be on or before Tuesday, December 15, 2026.

Unit #402 is a two bedroom, one bath home and includes a carport and a 1/24th interest in common Oakcreek property. This home has one of the prime views in the community, with a clear view from the back windows across the meadow.

The initial round of offers will be accepted by the owner through Tuesday, November 4, 2026 by 5 p.m. CST.

I am serving as liaison for the owner (Kay Stewart) and will be glad to answer questions or provide any information that you may need, including the bid packet. You may contact me at the email address below.

With advance notice, I will assist you in arranging a visit to Oakcreek to view this lovely home. We also highly recommend attending a community dinner, meeting, or workday if you have not already done so. I can provide dates and times.
